In addition, in the event the City of Beverly Hills has proclaimed an emergency, the Executive Committee has the authority to accept or reject offers of donations of gifts, including gifts of personal property or real property, money, product, equipment or in-kind contributions in an unlimited amount if such donation will assist with the emergency situation. The Board at its next meeting must ratify any interim action of the Executive Committee. Notwithstanding the above, the Executive Committee may not:

1. Take any final action on matters that, under the Nonprofit Corporation Law of California, requires approval of the entire Board;

However, officers may be reimbursed for reasonable expenses in accordance with a policy established by Board resolution.

## **ARTICLE IX: INDEMNIFICATION**

**Section 1. Definitions.** For the purposes of this Article IX, the following definitions shall apply:

A. "Agent" means any person who is or was a director, officer, employee or other agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another foreign or domestic corporation, partnership, joint venture, trust or other enterprise.

B. "Proceeding" means any threatened, ending, or completed action or proceeding, whether civil, criminal, administrative, or investigative.

C. "Expenses" includes without limitation attorneys' fees and any expenses of establishing a right to indemnification under Section 2 or 3 of this Article IX.

**Section 2. Actions by Third Parties.** The Corporation shall have power to indemnify any person who was or is a party or is threatened to be made a party to any proceeding (other than an action by or in the right of the Corporation to procure a judgment in its favor, an action brought under Section 5233 of the California Nonprofit Public Benefit Corporation Law, or an action brought by the Attorney General or a person granted relator status by the Attorney General for any breach of duty relating to assets held in charitable trust), by reason of the fact that such person is or was an agent of the Corporation, against expenses, judgments, fines, settlements, and other amounts actually and reasonably incurred in connection with such proceeding if such person acted in good faith and in a manner such person reasonably believed to be in the best interests of the Corporation and, in the case of a criminal proceeding, had no reasonable cause to believe the conduct of such person was unlawful. The termination of any proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent shall not, of itself, create a presumption that the person did not act in good faith and in a manner which the person reasonably believed to be in the best interests of the Corporation or that the person had reasonable cause to believe that the person's conduct was unlawful.

**Section 3. Actions by or in the Right of the Corporation.** The Corporation shall have the power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action by or in the right of the Corporation, or brought under Section 5233 of the California Nonprofit Public Benefit Corporation Law, or brought by the Attorney General or a person granted relator status by the Attorney General for breach of duty relating to assets held in charitable trust, to procure a judgment in its favor by reason of the fact that such person is or was an agent of the Corporation, against expenses actually and reasonably incurred by such person in connection with the defense or settlement of such action if such person acted in good faith, in a manner such person believed to be in the best interests of the Corporation, and with such care, including reasonable inquiry, as an ordinarily prudent person in a like position would use under similar circumstances. No indemnification shall be made under this Section 3:

(a) In respect of any claim, issue, or matter as to which such person shall have been adjudged to be liable to the Corporation in the performance of such person's duty to the Corporation, unless and only to the extent that the court in which such proceeding is or was pending shall determine upon application that, in

view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for the expenses which such court shall determine;

(b) Of amounts paid in settling or otherwise disposing of a threatened or pending action, with or without court approval; or

(c) Of expenses incurred in defending a threatened or pending action that is settled or otherwise disposed of without court approval, unless it is settled with the approval of the Attorney General.

**Section 4. Indemnification Against Expenses.** To the extent that a agent of the Corporation has been successful on the merits in defense of any proceeding referred to in Section 2 or 3 of this Article IX or in defense of any claim, issue, or matter therein, the agent shall be indemnified against expenses actually and reasonably incurred by the agent in connection therewith.

**Section 5. Required Determinations.** Except as provided in Section 4 of this Article IX any indemnification under this Article IX shall be made by the Corporation only if authorized in the specific case, upon a determination that indemnification of the agent is proper in the circumstances because the agent has met the applicable standard of conduct set forth in Section 2 or 3 of this Article IX, by:

(a) A majority vote of a quorum consisting of directors who are not parties to such proceeding; or

(b) The court in which such proceeding is or was pending upon application made by the Corporation or the agent or the attorney or other person rendering services in connection with the defense, whether or not such application by the agent, attorney, or other person rendering services in connection with the defense, whether or not such application by the agent, attorney, or other person is opposed by the Corporation.

**Section 6. Advance of Expenses.** Expenses incurred in defending any proceeding may be advanced by the Corporation prior to the final disposition of such proceeding upon receipt of an undertaking by or on behalf of the agent to repay such amount unless it shall be determined ultimately that the agent is entitled to be indemnified as authorized in this Article.

**Section 7. Other Indemnification.** No provision made by the Corporation to indemnify its or its subsidiary's directors or officers for the defense of any proceeding, whether contained in the Articles of Incorporation, these Bylaws, a resolution of directors, an agreement, or otherwise, shall be valid unless consistent with this Article IX. Nothing contained in this Article IX shall affect any right to indemnification to which persons other than such directors and officers may be entitled by contract or otherwise.

**Section 8. Forms of Indemnification Not Permitted.** No indemnification or advance shall be made under this Article IX, except as provided in Section 4 or 5(b), in any circumstances where it appears:

(a) That it would be inconsistent with a provision of the Articles of Incorporation, these Bylaws, or an agreement in effect at the time of the accrual of the alleged cause of action asserted in the proceeding in which the expenses were incurred or otherwise amounts were paid, which prohibits or otherwise limits indemnification; or

(b) That it would be inconsistent with any condition expressly imposed by a court in approving a settlement.

**Section 9. Insurance.** The Corporation shall have power to purchase and maintain insurance on behalf of any agent of the Corporation against any liability asserted against or incurred by the agent in such capacity or arising out of the agent's status as such whether or not the Corporation would have the power to indemnify the agent against such liability under the provisions of this Article; provided, however, that the Corporation shall have no power to purchase and maintain such insurance to indemnify any agent of the Corporation for a violation of Section 5233 of the California Nonprofit Public Benefit Corporation Law.

**Section 10. Nonapplicability to Fiduciaries of Employee Benefit Plans.** This Article does not apply to any proceeding against any trustee, investment manager, or other fiduciary of an employee benefit plan in such person's capacity as such, even though such person may also be an agent of the Corporation.

## **ARTICLE X: FISCAL YEAR**

**Section 1: Fiscal Year of the Corporation.** The fiscal year of the Corporation shall begin on the first day of July and end on the last day of June in each year.

## **ARTICLE XI: MEMBERS**

**Section 1: Determination of Members.** The Corporation shall have no voting members within the meaning of the California Nonprofit Public Benefit Corporation Law. Any action that would otherwise require approval by such members shall require only approval of the Board of Directors.

## **ARTICLE XII: RECORDS AND REPORTS**

**Section 1. Maintenance of Corporate Records**

The Corporation shall keep:

- (a) Adequate and correct records and books of account;
- (b) Written minutes of Board and committee proceedings.

**Section 2. Inspection by Directors.** Every director shall have the absolute right at any reasonable time to inspect all books, records and documents of every kind and the physical properties of the Corporation. This inspection by a director may be made in person or by an agent or attorney, and the right of inspection includes the right to copy documents.

### **Section 3. Annual Report**

2. The principal changes in assets and liabilities, including trust funds, during the fiscal year.
3. The revenue or receipts of the Corporation, both unrestricted and restricted to particular purposes, for the fiscal year.
4. The expenses or disbursements of the Corporation, for both general and restricted purposes, during the fiscal year.
5. Any information required by Section 6322 of the California Corporations Code.

### **Section 4. Annual Statement of Certain Transactions and Indemnifications**

A. The Corporation shall prepare annually and furnish to each director a statement of any transaction or indemnification of the following kind within 180 days after the close of the fiscal year of the Corporation:

(i) Any transaction to which the Corporation, was a party, and in which any director or officer of the Corporation, (but mere common directorship shall not be considered such an interest) had a direct or indirect material financial

interest, if such transaction involved more than \$50,000, or was one of a number of transactions with the same person involving, in the aggregate, more than \$50,000.

(ii) Any indemnifications or advances aggregating more than \$10,000 paid during the fiscal year to any officer or director of the Corporation pursuant to Article 6 above.

B. The statement shall include a brief description of the transaction, the names of the director(s) or officer(s) involved, their relationship to the Corporation, the nature of such person's interest in the transaction and, where practicable, the amount of such interest; provided, however, that in the case of a partnership in which such person is a partner, only the interest of the partnership need be stated.

### **Section 5. Retention**

Except as otherwise provided herein, the Corporation shall keep all of its documents and records in accordance with the City of Beverly Hills Records Retention Schedule.

## **ARTICLE XIII: MISCELLANEOUS**

**Section 1. Execution of Checks and Drafts.** All checks, drafts or other orders for payment of money, notes or other evidences of indebtedness, issued in the name of or payable to the Corporation, shall be signed or endorsed by such person or persons and in such manner as, from time to time, shall be determined by resolution of the Board of Directors.

The authority herein granted to such officers to vote or represent on behalf of the corporation any and all shares held by the Corporation in any other corporation or corporations may be exercised either by such officers in person or by

## CITY OF BEVERLY HILLS

### MEMORANDUM

**To:** City of Beverly Hills Community Charitable Foundation Board of Directors

**From:** Stephanie Harris, Senior Management Analyst

**Meeting Date:** August 6, 2020

**Subject:** Update on Park Bench Program

**Attachments:** 1. Park Bench Program Information

---

It was the request of the Board to bring forward information about the Park Bench Donor Program. The program, which falls under the auspices of the Recreation and Parks Commission currently allows for one bench donation per family per park. Each bench donation is \$5,000 for a 10 year dedication. At the end of the 10 years, City personnel will contact the donor or their estate and provide the option of a second 10 year dedication or return the plaque to the donor. The only exception to this is City Council approved the dedicated benches in the Beverly Hills Community Dog Park to be in place in perpetuity.

The benches are Dumor powder coated steel benches with plaque inserts and the cost of the benches are approximately \$5,000. The City has a standard plaque that is a 2" x 10" bronze plaque that costs approximately \$225. Currently we have bench dedications in Beverly Gardens Park and the Beverly Hills Community Dog Park. As other parks are renovated in the future, the existing park benches will be replaced with the steel bench and plaque insert. The cost of the benches is included as part of the project and the plaque purchase is made through the Community Services Department operating budget.

The Dog Park is at maximum capacity with seven (7) benches that were installed and dedicated during the construction of the park. Beverly Gardens Park has a total of 44 benches throughout the park with plaque inserts. Of those 44 benches currently 20 have been dedicated. The Recreation and Parks Commission had set aside a total of nine (9) benches to allow for recognition of large donors and individuals who spearheaded the renovation efforts of the park when the Park Bench Program was developed. This currently leaves 15 benches available for dedication.

The cost of maintenance for the benches is hard to determine as it is not a separate effort. The Park Maintenance team cleans off the benches as part of their upkeep of the park. We have not had to replace or provide additional upkeep to the benches throughout the park due to damage or vandalism.

Should the Community Charitable Foundation desire to change the bench donation program, staff recommends bringing any feedback to the Recreation and Parks Commission for further development.
