1) PUBLIC COMMENT

Members of the public will be given the opportunity to directly address the Committee on any item listed on the agenda.

- Resident, David Gingold, expressed his concerns in regards to constructing roundabout circles in the City.

2) INTELLIGENCE/ FUSION CENTER

- Chief Spagnoli and Assistant Chief Coopwood presented an overview of the proposed Police Intelligence / Fusion Center.
 - The center would provide real-time data and monitoring of existing technology infrastructure.
- The committee provided feedback on privacy concerns other cities have faced. Staff responded with an understanding of privacy issues and upcoming legislation that may have an impact on surveillance technology.
- Police Staff will bring the proposed plan to Council in July.

3) FIBER TO THE PREMISE UPDATE

- David Schirmer, Chief Information Officer provided background of FTTP project.

Special Meeting Highlights

- Contracts were approved at the April 14th Council meeting.
- Council imposed a timeline for the pilot project (Alpha Phase) and directed staff to test the concept and deliver the findings by the end of summer 2019.
- Twelve friendly customers are anticipated to be online by the end of summer 2019.
- Alan Sheff, project manager from Psomas, provided an update on construction work.
- Council member Gold requested weekly updates on the progress of the project.
